بِسْمِ اللَّهِ الرَّحْمَنِ الرَّحِيمِ

In the name of Allaah, the Most Merciful, the Bestower of Mercy

(Letter written to **Shaykh Saalih al-Fawzaan** ¹(حفظه الله))

Noble Shaykh: Saalih Fawzaan al-Fawzaan—may Allaah preserve him.

As salaamu alaikum wa rahmatuAllaahi wa barakatahu

As to what follows:

Noble Shaykh, I noticed—while searching on the social networking website (Facebook)—there are three pages that carry your name; the pages have a variety of content. My question O noble Shaykh, do you have a page on the website Facebook and what is the web address for it? And which pages carrying your name are authorised by you? May Allaah preserve you.

As salaamu aliikum wa rahmatuAllaah wa barakatahu.

(Shaykh's response)

Wa alaikum salaam wa rahmatuAllaahi wa barakatahu

As to what follows:

I do not have any page on this website mentioned in the question; and I do not have any connection to it, nor do I know about it. The only website approved by me is my personal website which is supervised by the Charitable Da'wah Foundation. And for the purpose of clarification I do not permit any individual or entity to create a website or a page on any website, without written permission from me.
