Question: May Allaah reward you with good. The questioner says: In the hadeeth it states that Allaah has cursed the men who resemble the women. Does this include the men who wear tight clothes, and some of the clothes worn by the youth?

Shaykh Saalih al-Fawzaan (حفظه الله)¹: This refers to the clothes which are particular to the women, if the man wears this, then he resembles the women and is deserving of the curse to be upon him. As for the clothes which are not particular to the women, then no. But if the clothes are tight then it is not permissible to wear it because it is tight, not because it resembles the women. It is also not permissible for the women to wear tight clothes; these are not the clothes of women. Tight clothing is not the clothes of the Muslim women.
